GENERAL INFORMATION

The schedules shown herein have been sampled for your information and reproduced from the Official National Motor Coach Guide effective at the time of this publication; these schedules are subject to change without notice at any time.

Complete and detailed information may be obtained at any Continental Trailways and Trailways Terminal or Tour Office or by writing to the International Sales Department of Continental Trailways:

HOW TO USE THIS GUIDE

*All times are shown in local times (as indicated in the tables). The North American Continent, and more particularly the United States, is divided into the following "Standard" time zones: (referred to in this timetable):

Eastern Time (ET)	Mountain Time (MT)
Central Time (CT)	Pacific Time (PT)

as shown hereunder (1 hour to be subtracted when travelling westward into an adjacent zone, or to be added when travelling eastward).

During the summer season, or more precisely from the last Sunday in April until the last Sunday of October, Daylight Savings time comes in effect, as shown hereunder.

The areas shaded on map do not observe Daylight Savings Time, therefore one hour must be added to times shown for Daylight Savings Time.

*Light-face figures in time schedules indicate AM times (00 hour to 12 noon). Dark-face figures indicate PM times (12 noon to 24 hour midnight).

*The symbol ● will easily identify in the time columns whenever there is a change of day and will allow you to judge at first glance the driving time between points.

*The left-hand side of each table should be "read down" (which generally corresponds to East→West or North→South travelling) while the right-hand side is to be "read up" (for West→East or South→North travelling).

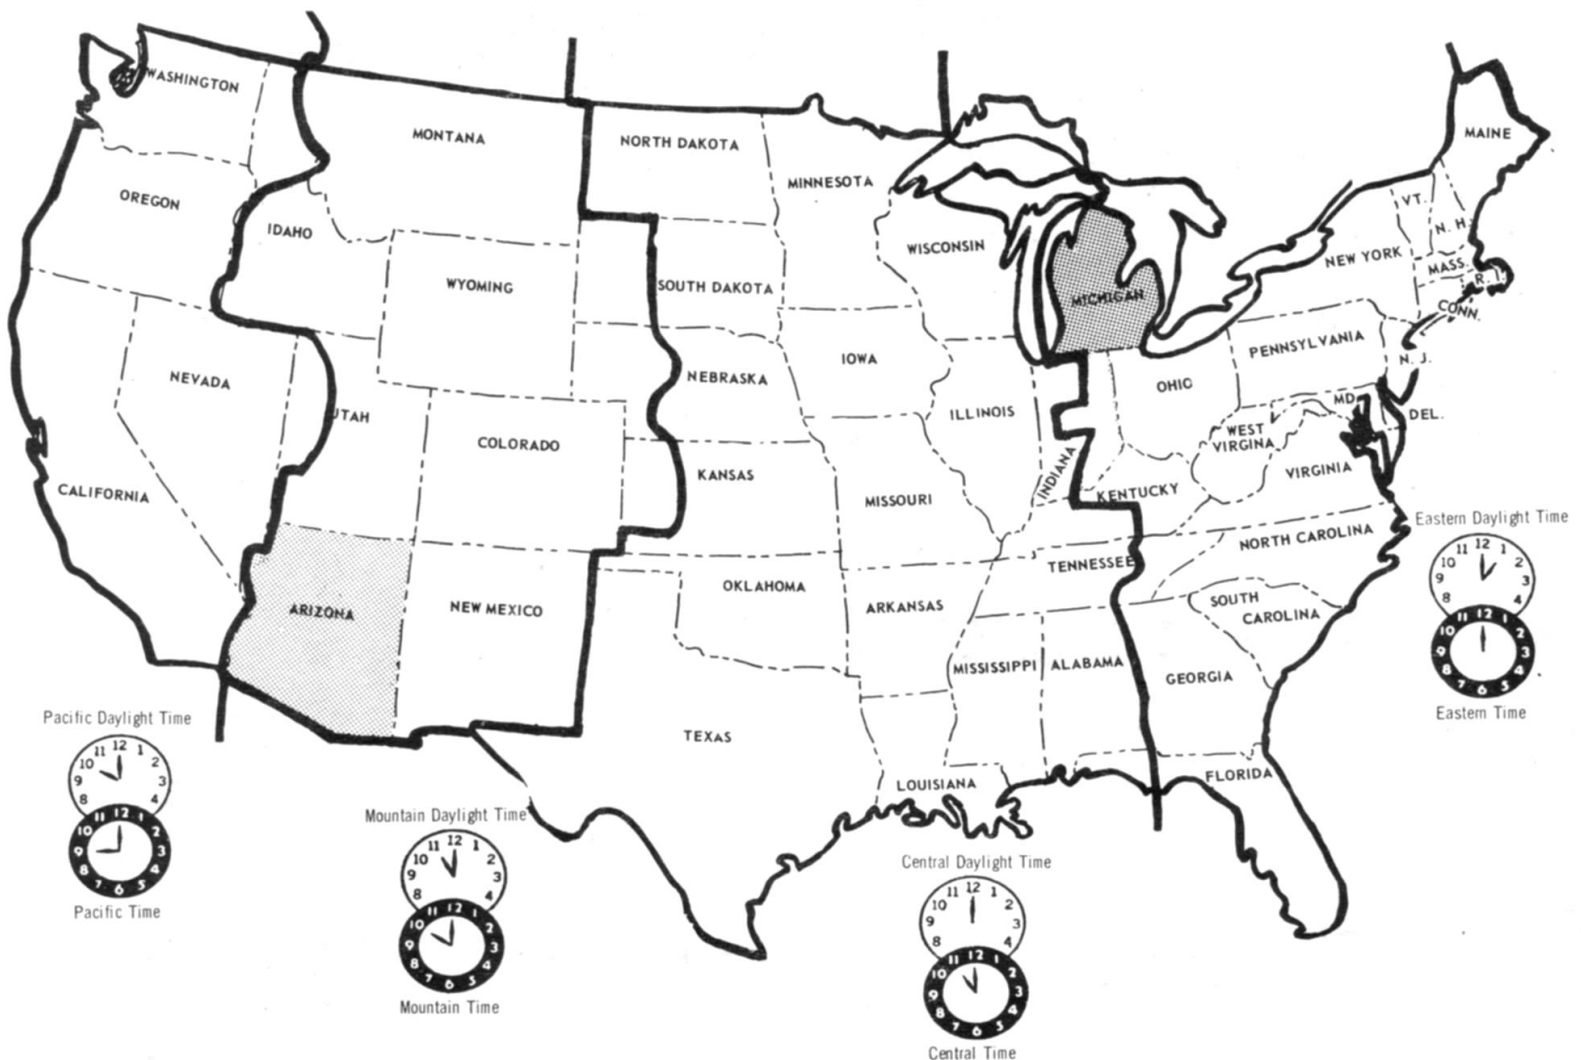

*Portions of the schedules shown in italics are referring to connecting bus services and have been included for your convenience. Dark-face initials shown in parentheses indicate the particular carrier or division in charge of each portion of a route. Symbols such as brackets and notations identify the "Thru" (no change) services while crowns and stars indicate a "Golden Eagle" Five Star Luxury Service (with hostess aboard, food and refreshments served).

RESPONSIBILITY

Except as responsibility may be imposed by law, carriers will not be liable for delays caused by accidents, breakdowns, bad conditions of the road, snow storms, and other conditions beyond their control, and do not guarantee to arrive at or depart from any point at a specific time. The time of arrival and departure shown in their published time schedule is the schedule they endeavor to maintain but same is not guaranteed.

We wish you a pleasant journey aboard Continental Trailways.

REGULATIONS AND CONDITIONS

PLACES OF SALE—Tickets may be sold only at places outside the Continental United States. No sales are allowed in the Dominion of Canada or in the Republic of Mexico north of a line drawn through Hermosillo, Chihuahua, Camargo, Torreon, Saltillo, Monterrey, Ciudad Victoria, Ciudad Mante and Tampico.

***EXCEPTION**—Effective April 1, 1969 Foreign Exchange Students, Research Scholars and Lecturers, upon presentation of affidavits from recognized Educational Institutions to which they have been assigned, may purchase these tickets while in the USA by applying in advance to the International Sales Department at 1500 Jackson Street, Dallas, Texas 75201.

APPLICATION OF FARES—These special fares include transportation from, to and between all points within the Continental United States and some specific points in Canada aboard Continental Trailways and affiliated companies. Tickets are not valid for travel in Alaska or Mexico. These special fares also include travel on routes served exclusively by other participating carriers in the U.S. and Canada.

LIMITS OF TICKETS—Tickets, sold under authority of this tariff, will be limited as indicated in connection with each fare as indicated under "Fares" above. The limit of each ticket will be computed from the date upon which the ticket is FIRST USED for transportation. A ticket, sold at a fare authorized above, may be exchanged for a ticket which carries a longer limit upon payment of the difference between the amount paid for the original ticket and fare for a ticket which carries a longer limit in effect on the date the original ticket was purchased. This exchange must be made before the original ticket has been entirely used and before the expiration date of such original ticket.

IDENTIFICATION OF TRAVELERS—Tickets are valid for use by the original purchaser only and may not be transferred. Upon request of any driver, agent or other authorized representative of Continental Trailways, the traveler must present passport or other documents properly identifying him or her as the original purchaser.

REDEMPTION OF TICKETS—Totally unused tickets may be redeemed to the purchaser at the fare paid, through the agent from whom the ticket was purchased. Any refund will be made in the lawful currency of the country in which the ticket order was purchased. No refund will be made if any portion of the ticket has been used.

CHILDREN'S FARES—One child, who has not reached his or her fifth (5th) birthday, when accompanied by an adult passenger and when not occupying a seat to the exclusion of another passenger, will be carried free. All other children will be charged the adult fares.

ADDITIONAL CHARGES—These special fares only apply to transportation of persons and baggage from coach terminal to coach terminal. Additional charges are made for excess baggage weight or value, hotel accommodations, sightseeing and side trips not served by participating coach lines.

BAGGAGE ALLOWANCE—You are allowed 150 pounds of baggage. This allowance is made on each ticket sold.

FIVE-STAR LUXURY SERVICE®—Tickets sold under authority of this tariff will not be honored on some "Five-Star Luxury Service" schedules during the months of June, July and August of each year. You may obtain details from your travel agent when planning your trip.
